

# MEF Easy-Fix

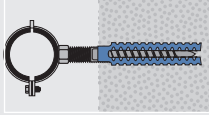

## Features

- No pre-drilling in lightweight concrete
- For use with wood, self-tapping and hexagon screws
- Pre installation
- Indoor applications

## Applications

pipes, water conduits, gas conduits

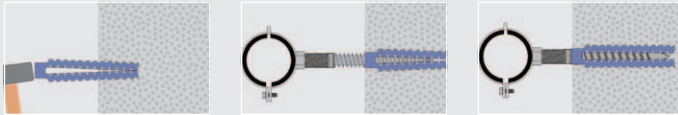

## Technical Data

	Lightweight Concrete tension load (N)
MEF 6/32	220
MEF 8/38	400
MEF 8/60	470
MEF 10/60	520

Safety factor of 3 is included / 10 N  $\approx$  1 kg / Separate drill  $\varnothing$  needed to overcome the resistance in the various building materials. The harder the material, the larger the drill  $\varnothing$ .

## Installation

Article code	Plug- $\varnothing$ mm $d_{nom}$	Length mm L	Screw $d_s$	Drilling hole $\varnothing$ mm $d_d$	Box content FS	Outer carton SK	Quantity per pallet
